**Workplace list**

**Technical description**

### 1 Introduction

The product **Workplace list** delivers a list of all workplaces linked to a particular (company) registration number. Certain registration numbers may have a great number of workplaces, for example in Swedish municipalities. These are numbered with a serial number. <Rad>.

In order to procure detailed information about a particular workplace you use the Workplace ID (cfarnr) which you receive in the Reply and then order a new product "BArbst – Arbetsställe".
