

**Integration - API**

**Group Information**

**Technical description**

## 1 Introduction

The product **Group Information** delivers a list of those Swedish companies which belong to the Group in question as well as foreign companies where they are mentioned in the Annual Report of the Swedish parent company/subsidiary.

Companies are shown sequentially in generations from 0 (=principal parent) and downwards 1, 2, 3, 4, 5 etc

Please note that the information on group affiliation is obtained from the relevant companies' latest Annual Reports submitted to the Swedish Companies Registration Office. Changes may have occurred subsequently which are not therefore known to us.

1.2 Two new attributes for <Relation>: "ownership share" and "status".
